

HIGH-PERFORMANCE PET STRAP

Strong, Elastic, Sustainable:

Highlights

Sustainable

Strap manufactured from recycled consumer polyester material, the PET strap can be reentered into the material cycle post-use

Robustness

Due to an elastic memory and PET strap provide exceptional break strengths, ideal for a wide range of packaging needs

Performance Engineering

Designed & engineered with a proprietary process to minimize splitting, ensuring superior tension retention

Efficient

Minimum tensioning effort due to controlled surface properties and high impact resistance, maximizes tool & machine efficiency

Features and Benefits

**Ideal for
Transportation**

**Versatile
Applications**

**Workplace Safety
Compliant**

**Cost
Effective**

Technical Specifications

Product	Type	Width (mm)	Thick (mm)	Break load (Kg)	Coil Length (Meters)
10 x .50	Smooth	10	0.5	201	3522
12 x .7	Smooth	12	0.7	340	2096
16 x .9	Smooth	16	0.9	578	1223
16 x 1	Smooth	16	1	643	1101
19 x 1	Smooth	19	1	763	927
19 x 1.27	Smooth	19	1.27	970	730
25 x 1	Smooth	25	1	1020	704
25 x 1.27	Smooth	25	1.27	1300	555
32 x 1.27	Smooth	32	1.27	1710	433
12 x .7	Embossed	12	0.7	320	2444
13 x .70	Embossed	13	0.7	310	2008
16 x .70	Embossed	16	0.7	385	1631
16 x .9	Embossed	16	0.9	548	1387
16 x 1	Embossed	16	1	609	1241
19 x 1	Embossed	19	1	723	1040
19 x 1.27	Embossed	19	1.27	920	810
25 x 1.27	Embossed	25	1.27	1238	611
32 x 1.27	Embossed	32	1.27	1630	475

Tolerances: Thickness +/-0.05mm, Width +/-0.60mm, Break Load +/- 5% Elongation: Plain - 10% to 17%, Embossed - 10% to 20%

Industries We Serve

Pharma

Paper

Metal

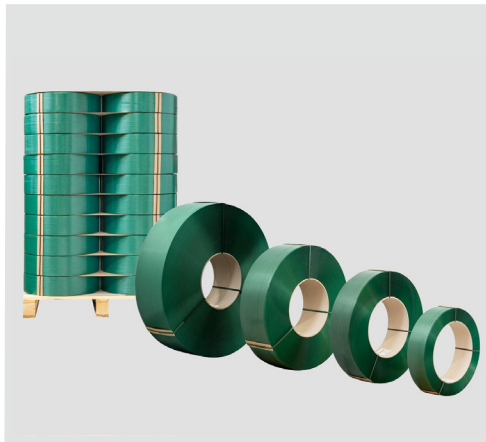

FMCG

F&B
