

## RELIABLE STRETCH FILM

Stretch, Unitize, Secure:

### Highlights

#### Efficient Load Containment

High-performance material, the ability to retract, and self-adhesive cling provide a superior and uniform containment force to handle the load

#### Machine and Manual Grade

Its high stretch, toughness, and remarkable load retention makes it flexible for various industrial applications & load types

#### High-Durability

Stretch films provide a weathering resistance and an unparalleled puncture & tear resistance reducing film breakages during application

## Features and Benefits

**With/Without  
VCI**

**High Load  
Safety**

**Superior  
Quality**

**High-Quality  
Formula**

**Cost  
Efficiency**

## Technical Specifications

| Size | Grade   | Stretch Film<br>(Micron) | Width | Roll Length | Weight<br>(KG) | Cling  | Ultimate<br>Stretch | Core ID |
|------|---------|--------------------------|-------|-------------|----------------|--------|---------------------|---------|
| MA70 | Machine | 70                       | 500   | 434         | 14             | Inside | 300%                | 76 mm   |
| M70  | Manual  | 70                       | 500   | 155         | 5              | Inside | 50%                 | 76 mm   |
| MA51 | Machine | 51                       | 500   | 596         | 14             | Inside | 300%                | 76 mm   |
| MC51 | Machine | 51                       | 240   | 887         | 10             | Inside | 150%                | 76 mm   |
| M51  | Manual  | 51                       | 500   | 213         | 5              | Inside | 50%                 | 76 mm   |
| MA29 | Machine | 29                       | 500   | 1048        | 14             | Inside | 300%                | 76 mm   |
| M29  | Manual  | 29                       | 500   | 375         | 5              | Inside | 50%                 | 76 mm   |

Tolerance: Thickness +/- 1% Weight +/- 2%

## Industries We Serve

**Pharma**

**Paper**

**Metal**

**FMCG**

**F&B**

**Auto and Engineering  
and more...**

**Factory Address**  
Plot No. G28 & G29, General Park IP,  
Sutanpur Medical Devices Park,  
Telangana 502 319

**Corporate Address**  
Shantha Jubilee, Jubilee Enclave,  
HITEC City, Hyderabad,  
Telangana 500 081
